

IN THE SUPREME COURT OF THE STATE OF KANSAS

Administrative Order

2024-RL-065

Re: Temporary Amendment of Electronic Filing Rules

FILED
JUL 19 2024
DOUGLAS T. SHIMA
CLERK OF APPELLATE COURTS

The Kansas Judicial Branch has been affected by a global issue involving certain software and antivirus products, which has impeded access to elements of the Kansas eCourt system. Some elements of that system are intermittently inaccessible.

Because of this impediment, this administrative order is entered to temporarily suspend Kansas Supreme Court Rule 23(c)(2), which requires that a clerk process a document for filing within four business hours after a filer submits the document for filing. Rule 23(c)(2) is suspended until further order of this court.

Dated this 19th day of July 2024. This order is effective upon filing.
